

Welcome to Client Engage

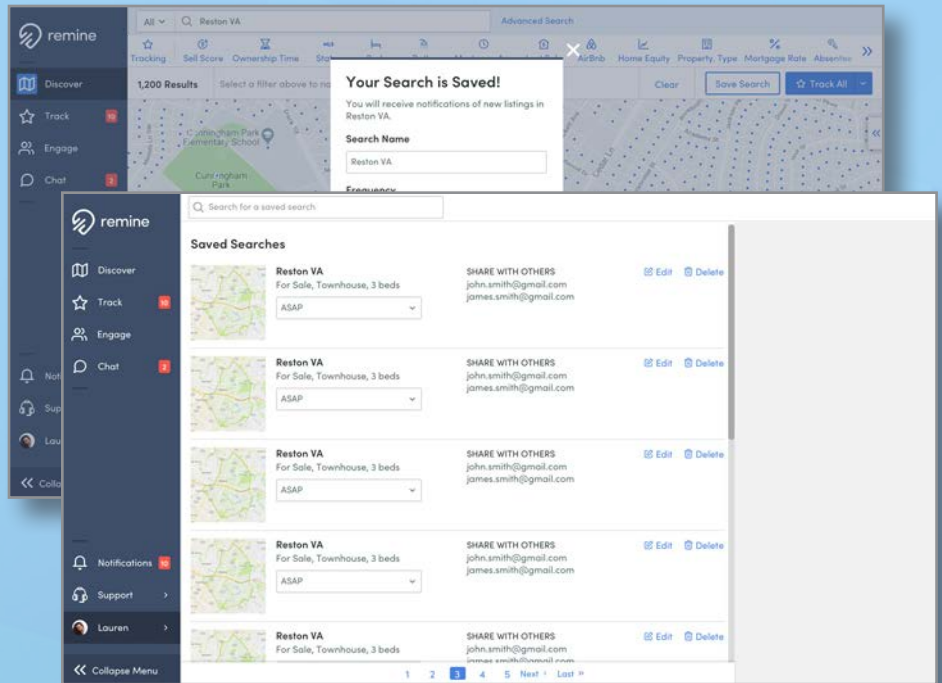

Remine now offers a new way for agents to engage with their clients.

Client Engage adds the following new features for agents:

- ✓ Run saved searches for themselves and their clients
- ✓ Offer a private, invitation-only search experience for their clients
- ✓ Monitor their clients' search activity
- ✓ Chat with clients on a secure platform
- ✓ Clients can request showings

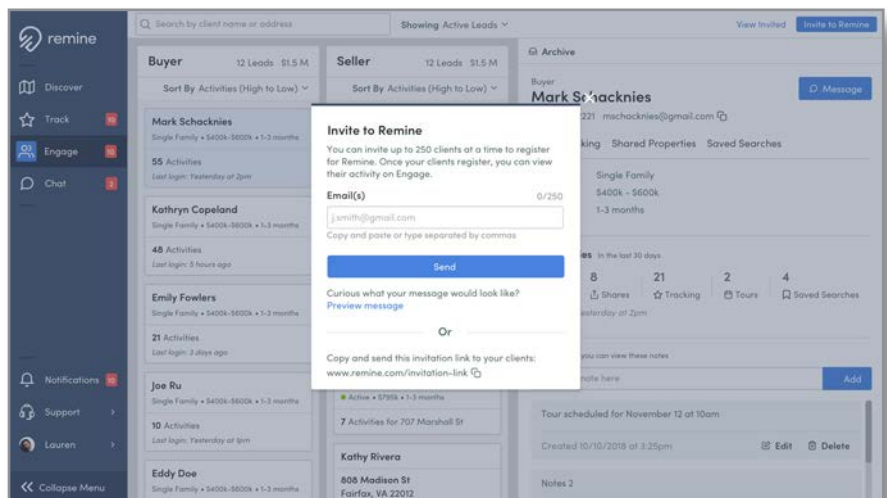

SAVED SEARCH

Create a saved search for client.

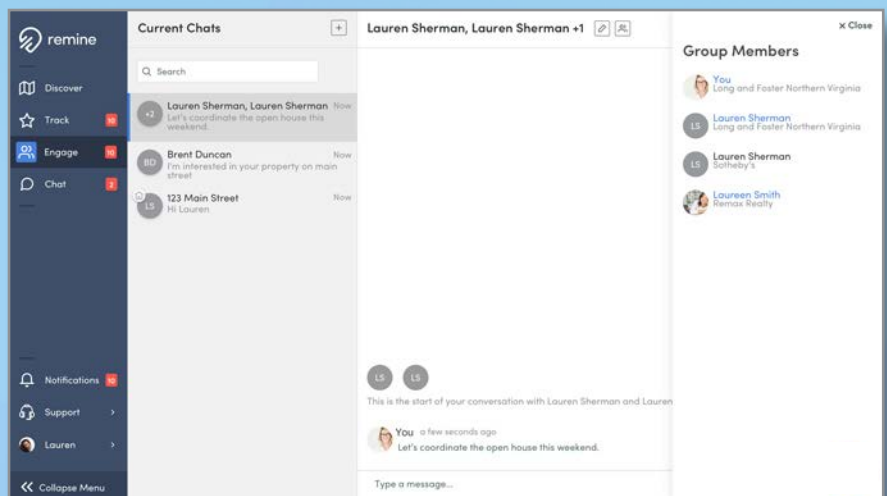

INVITE

Invite an unlimited number of clients to connect on Remine.

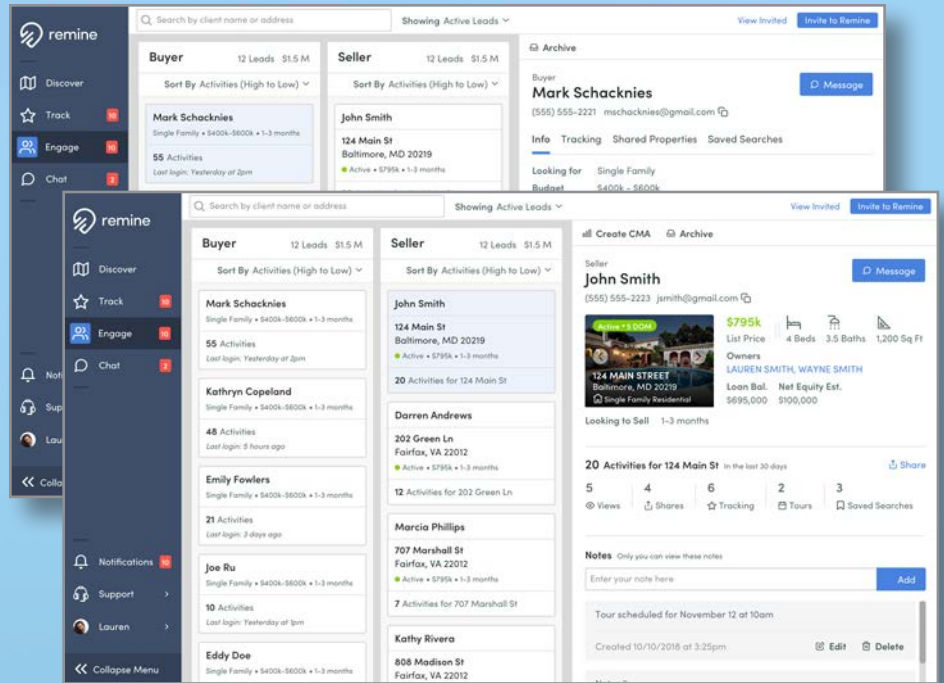

CHAT

Chat with invited and registered clients in a secure and organized way.

ENGAGE*

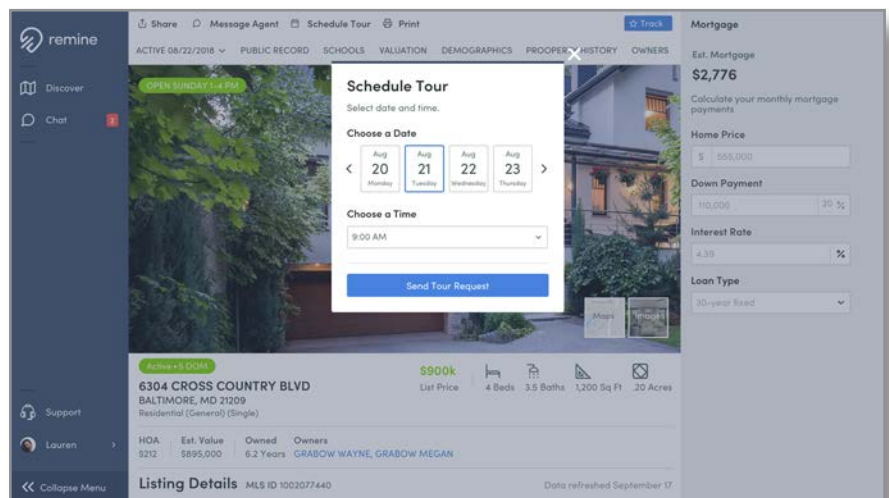

View a client's search activity to better anticipate their needs.

* Available with a premium subscription.

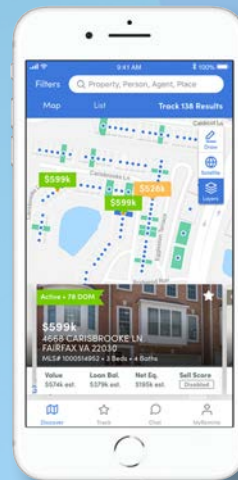

REQUEST SHOWINGS

Allow clients to schedule a tour.

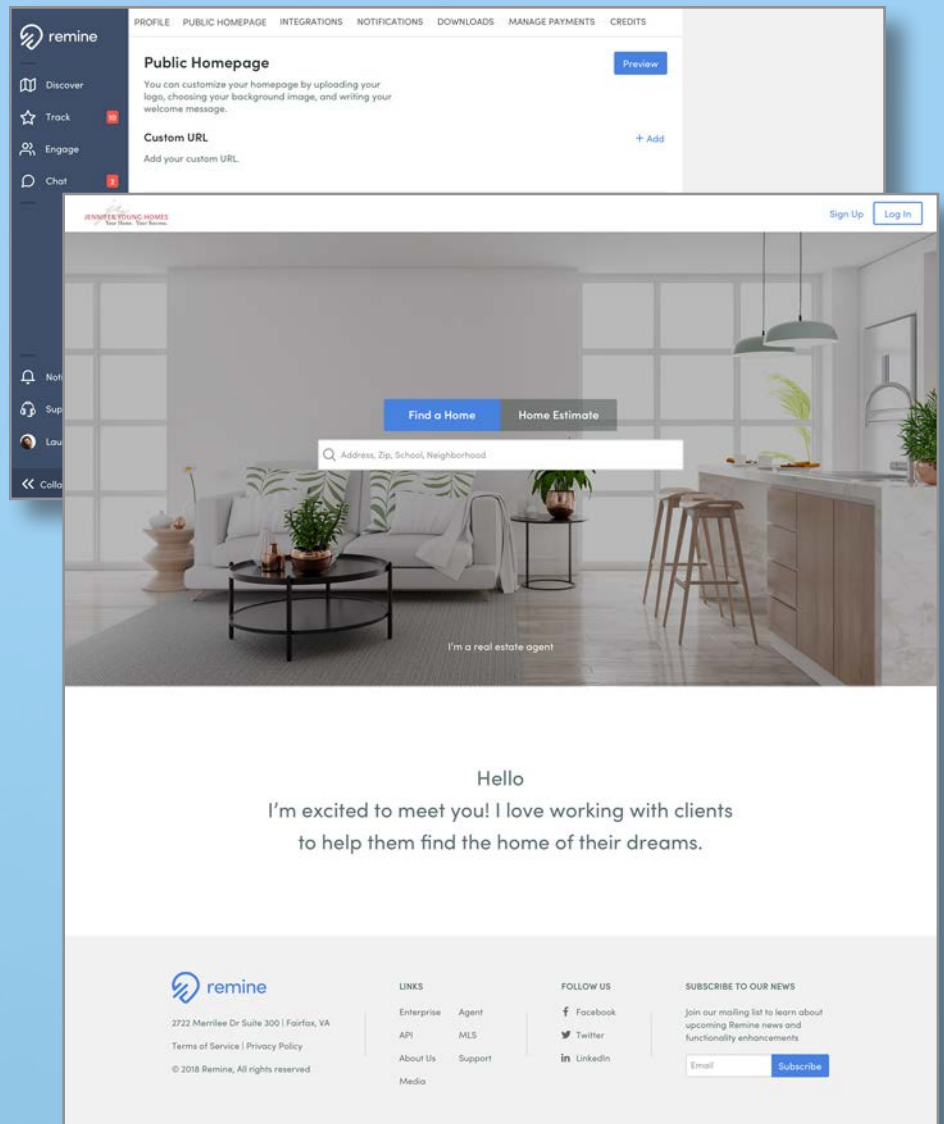

MOBILE

Give your clients the most powerful mobile search.

CUSTOM HOME PAGE

Provide clients with a custom URL branded search experience powered by Remine.

Provide your clients with the best
and win more business!
