CRMLS Flex upgrade coming later this month

See what's in store!

The CRMLS Flex upgrade is coming later this month! We thought we'd highlight some new, improved features that will help streamline and improve your MLS experience once the upgrade is live.

Many enhancements are on the way. Here are just **three new features** of the upgraded Flex system:

- **Edit Off Market listings:** You'll be able to make edits to your Off Market listings, including price, once the upgrade goes live. (That includes Coming Soon!)
- **Broker Tours will be enabled:** More options for your caravans.
- **Share non-MLS comparables in your CMAs:** Do you have a great non-MLS comparable that you'd like to slot into your CMA? Soon you'll be able to.

We also have an action item for you.

You may remember receiving an email from CRMLS on June 10th welcoming you to the new CRMLS Dashboard and containing a temporary password to access the dashboard. (The email subject was "CRMLS Temporary Password.")

If you have not set up your CRMLS Dashboard yet, please do so as soon as possible as it will streamline the process of accessing your new Flex upgrades on launch day.

If you haven't accessed your dashboard yet or cannot find that email, no worries! You can reset your password through the dashboard.

- **Step 1: Go to the CRMLS Dashboard login page at <https://dashboard.ci.crmls.org/>**
- **Step 2: Scroll down and click on "Forgot Password"**
- **Step 3: Enter your login ID and click Next to have the system send you a password reset email**
- **Step 4: Click the link in the email and reset your password**

If you cannot find that email or need help setting up your CRMLS Dashboard, we're here to help! Visit <https://go.crmls.org/support/> or call (800) 925-1525 for CRMLS Customer Care.

We're looking forward to bringing you the CRMLS Flex upgrade soon. Thanks for your support!
