URGENT: 1 day left until Add/Edit is temporarily disabled in Paragon

We've been sending you communications promoting the upcoming Paragon Upgrade on 9/21.

To prepare for the upgrade to the Paragon system, **your ability to add/edit listings in Paragon will be unavailable starting Thursday, 9/17 at 12 PM until Monday, 9/21 at 8 AM.**

BEFORE 12 PM ON 9/17, you will need to do the following:

1. Audit your saved searches and contacts
2. Submit any incomplete listings
3. Print any CMAs you want to keep
4. Review CRMLS IDX options (IDX SmartFraming will not carry over)

[View a guide to the four steps above here.](#)

Here are some important tips, links, and resources to help make the Upgrade go as smoothly as possible for you.

- **Email notifications are moving to Collab Center.** [Click here](#) for help preparing.
- **The Room Dimensions fields will be retired.** [See other key positive feature updates here.](#)
- **Mello-Roos fields will not be available at launch; however, we anticipate they will be added in within two to three weeks.** [Here's a cheat sheet](#) for important field differences.
- **Some statuses are changing.** [Click here](#) for a list of definitions of all statuses in your new system; [click here](#) for a comparison of key differences.
- **Listing measures will be different in your new system.** Instead of Days on MLS and Market Time, you'll be using Days on Market (DOM). [Click here](#) for a guide to the differences (page 3).
