ADD/EDIT WILL SOON BE TEMPORARILY DISABLED IN PARAGON

Details below

We've been sending you communications promoting the upcoming Paragon Upgrade on 9/21.

To prepare for the upgrade to the Paragon system, **your ability to add/edit listings in Paragon will be unavailable from 12 PM today until Monday, 9/21 at 8 AM.**

Here are some important tips, links, and resources to help make the Upgrade go as smoothly as possible for you.

- A previous email erroneously stated that partial and incomplete listings would carry over. We regret the error; they will not. [Click here for a guide](#) to what will and will not carry over.
- Email notifications are moving to Collab Center. [Click here](#) for help preparing.
- The Room Dimensions fields will be retired. [See other key positive feature updates here.](#)
- Mello-Roos fields will not be available at launch; however, we anticipate they will be added in within two to three weeks. [Here's a cheat sheet](#) for important field differences.
- Some statuses are changing. [Click here](#) for a list of definitions of all statuses in your new system; [click here](#) for a comparison of key differences.
- Listing measures will be different in your new system. Instead of Days on MLS and Market Time, you'll be using Days on Market (DOM). [Click here](#) for a guide to the differences (page 3).
