

Coastal Mendocino Members: Prepare for Your New CRMLS Flex System by Accessing Your Dashboard Now

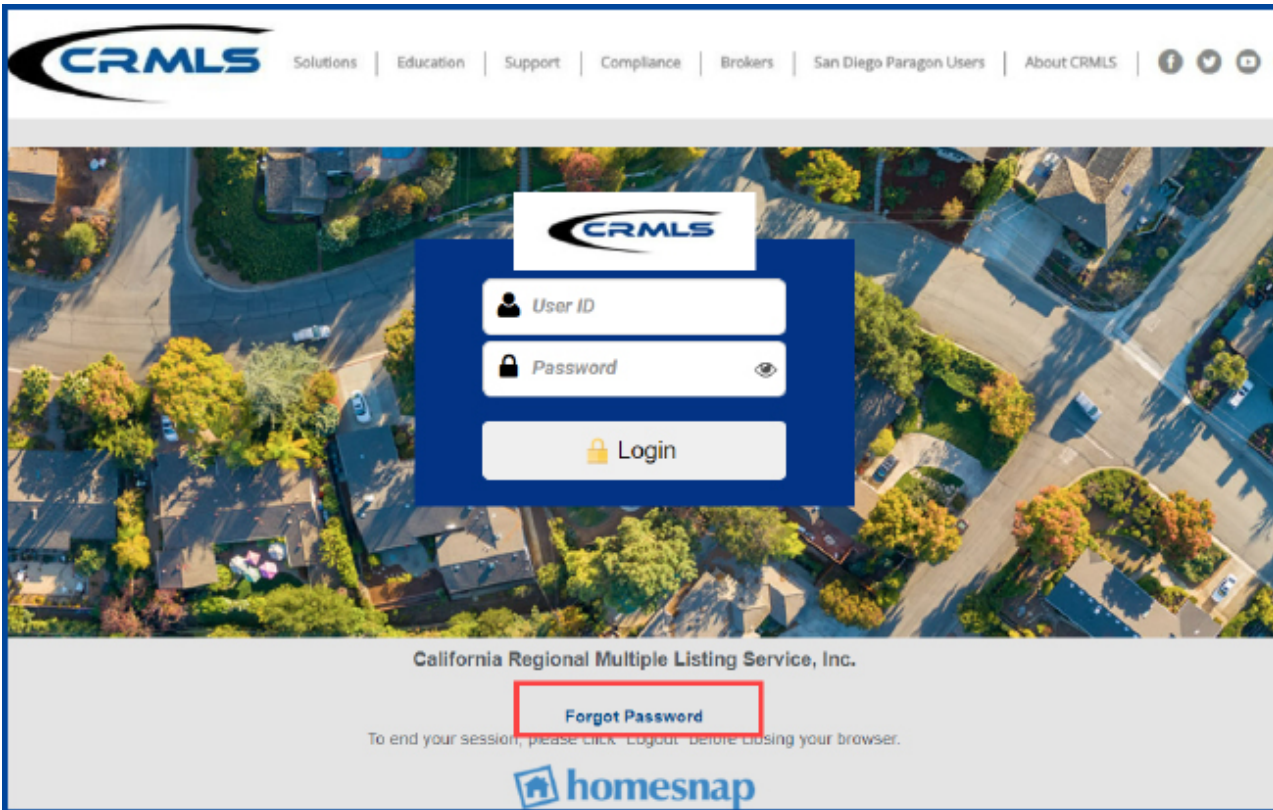

Visit our website, <https://go.crmls.org/> and click on the **MLS Dashboard Login** button.

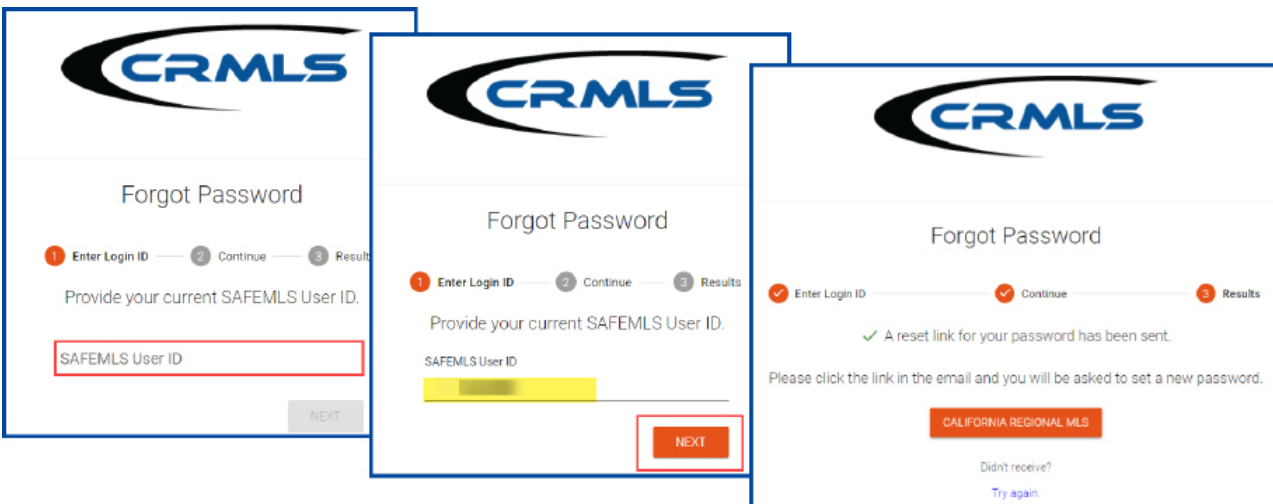

If you have used the CRMLS Dashboard before, enter the same **username** and **password** you've been using and click on the **Login** button.

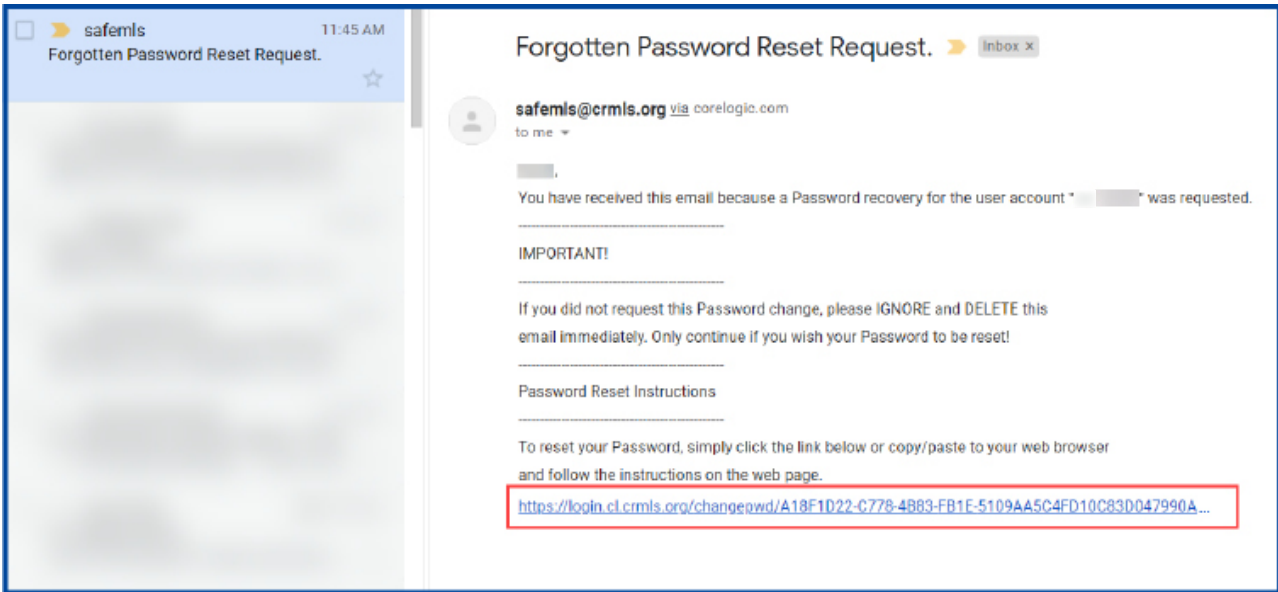

If you have not used the CRMLS Dashboard before, **scroll down** and click on **Forgot Password**.

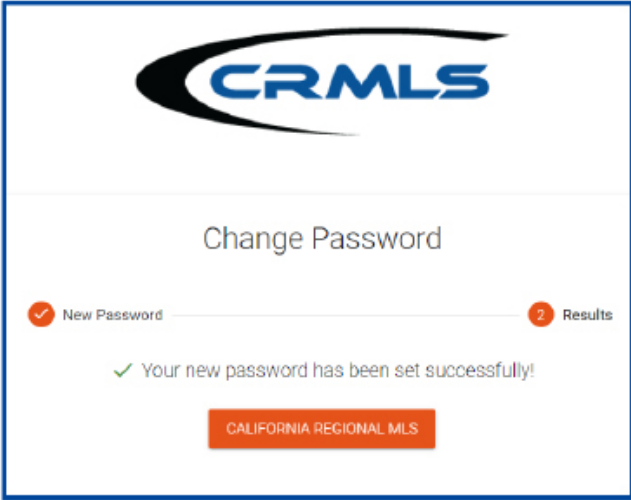

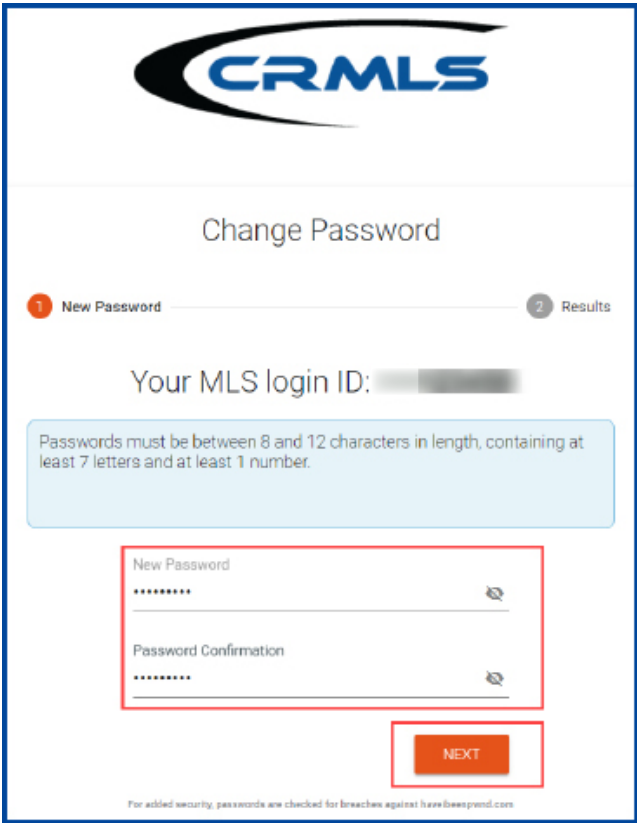

On the “Forgot Password” screen, enter your CMAR Flex username.

The system will send an email with password reset instructions to the address you have on file with your MLS.

Follow the prompts to reset your password and create a new one.

For security purposes, as of now, the CRMLS Dashboard does not save your username or password. This is a workflow change for you! Be sure to save your MLS username and password in a safe place that only you can access.
