

On 8/23, LionDesk will no longer be a CRMLS core product

More info and changes you can make to your account below

LionDesk is now a California Association of Realtors® (C.A.R.) member benefit. As of Tuesday, August 23rd, CRMLS will retire LionDesk as a CRMLS core product and redirect your access to the product through the C.A.R. website.

What does this mean for me?

Our data shows that you are a LionDesk user, sending out over 250 emails per month. On or before 8/23, you have a few choices:

1. CAR members can choose to use LionDesk as the free member benefit. To do this, you would have to curtail your email list so that you are sending under 250 monthly emails.
2. As a C.A.R. member, you can also choose to change your account to a paid LionDesk plan (required if you want to send over 250 emails) and continue your current service uninterrupted.
3. If you are not a member of CAR, you can explore LionDesk plans and choose the one that best suits your needs.
