

A photograph showing a group of approximately ten diverse professionals, including men and women of various ethnicities, sitting around a long white conference table. They are all smiling and looking towards the camera or slightly off-camera. Some are holding papers or writing in notebooks. The background is a bright, modern office environment with large windows and a high ceiling.

The latest news and updates on
MLS technology and services.

Your new dashboard will launch soon through REcenterhub Everything you need to know

Last year, CRMLS introduced to you and your members, the new product ecosystem, **REcenterhub**.

The REcenterhub tile has been live on your member's dashboards since last year, providing them a sneak peek of how the new dashboard looks and feels.

As mentioned in our recent AE meetings, the new dashboard in REcenterhub is set to change how your members will interact with the MLS as well as provide new tools, resources, and information them.

Since the REcenterhub tile has been added to the current dashboard, we've been hard at work incorporating member feedback and enhancing the system prior to official launch.

The REcenterhub dashboard will soon be fully replacing the current (Clarity) dashboard across all systems in Q2. We will share the exact transition date with you and your members soon.

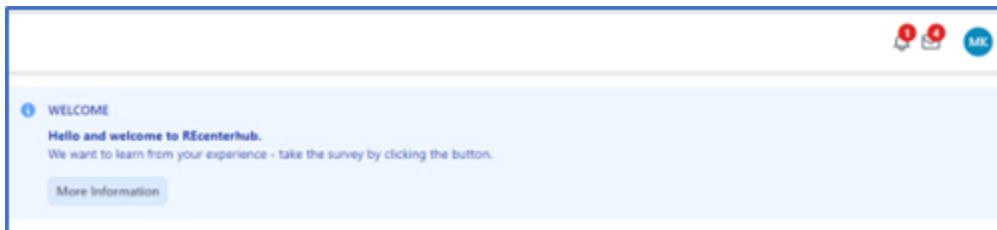

Why a new dashboard?

As the real estate industry and modern technology evolve, CRMLS

understands that creating a new dashboard from the ground up that can dynamically respond to new changes would be in the best interest of all our users. Plus, REcenterhub boasts a slew of features that we think every user will appreciate, including:

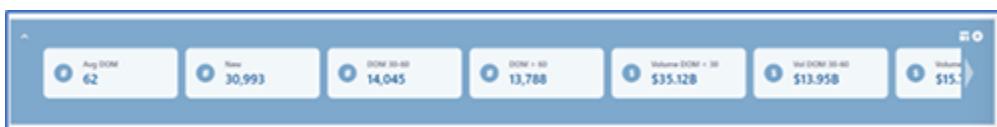

New Notification Inbox

Get all your notices and messages from your brokerage, association, and us all in one convenient place.

New Market Stats

Regularly updated and customizable market statistics will be right at the top of your dashboard for easy reference.

New Articles

Scroll through a carousel of carefully curated news, press, and articles to stay on top of the industry.

A screenshot of a web-based application interface. On the left is a vertical sidebar with a 'CRMLS' logo at the top, followed by 'Home', 'Member / Office Settings', 'Product Settings', 'Registered Listings', 'Training', 'Listing Distribution', 'QUICK LINKS' (with categories like 'Brokerage', 'Broker', 'Education', 'Support', 'Marketplace', and 'Compliance'), and 'Powered by CRMLS Version 1.0' at the bottom. The main area has a blue header bar with the same market stats as the previous figure. Below it is a 'CAROUSEL' section showing a news article thumbnail: 'CRMLS Training for Orange County REALTORS®' by Jeff Johnson, Aug 15, 2021, with a 'View' button. At the bottom right is a 'Support' link with the text 'Questions? We're here to help.'

The REcenterhub dashboard is a smart, elegant, and intuitive way for your members to access the data they need to help their business thrive.

Reminder - you and your members can access REcenterhub *right now* through your current dashboard under CRMLS Resources to start familiarizing yourself with it.

CRMLS will be hosting a number of webinars to get your members excited and familiar with their new dashboard experience. As soon as webinar dates/times are available, we will communicate to your members.

We look forward to bringing you and your members this latest product development and we hope you enjoy its many new, helpful features.

We've Got You Covered

Education

CRMLS offers a variety of resources to educate you on our products and services. Click above to visit the CRMLS training center.

Support

If you need MLS support, please click above or call us at (800) 925-1525. Our Customer Care team will be happy to assist.

Compliance

We keep your listing data safe, clean, and accurate. Click above to chat live with a CRMLS Compliance representative.

A graphic for the CRMLS Compliance Blog. It features a central image of a laptop screen displaying a document with several green checkmarks. A magnifying glass is positioned over the document. To the right of the laptop are two speech bubbles: a green one with a checkmark and a red one with a large red X. In the bottom left corner, there is a logo for "CRMLS COMPLIANCE BLOG" and the text "Clearing Up Compliance PART 2".
