

CRMLS Paragon's latest upgrade to both desktop and Paragon Connect

Improvements to reports, settings, and more

We at CRMLS are constantly working to improve your experience in Paragon. Those efforts have led to the latest updates and features, which focus on refining your reports, expanding your options in Paragon Connect, and more. Here are some of the new enhancements you can now find in CRMLS Paragon and Paragon Connect:

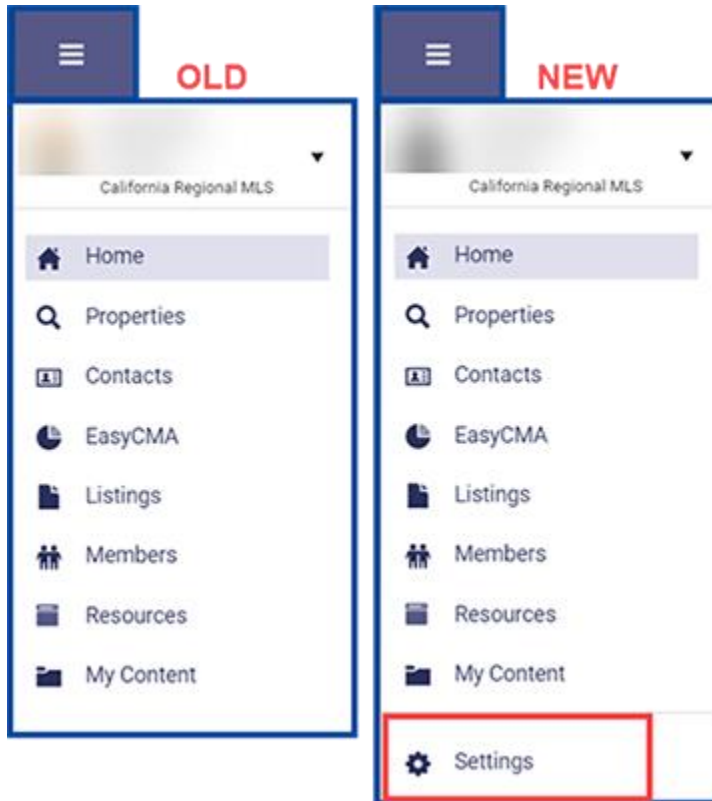

Statistical Reporting

When you are looking at the **Market Activity by Location and Month** report, and you select "Display By=City," the report will group listings by both city and state, reducing confusion and increasing accuracy.

Market Activity by Location And Month

Expanded Settings menu in Paragon Connect

The Paragon Connect main menu has a new **Settings** option, which you can use to edit and define your agent image, office logo, and more. As we continue to develop Paragon Connect, this menu will bring you more options to select your preferences and adjust your experience.
