

This 6/13, all CRMLS systems will update to

include user-requested features

Open House displays, Buyer Agency Compensation, and more

At CRMLS, we never rest on our laurels, and we are always hard at work improving your MLS experience. We're excited to announce the latest round of CRMLS system updates, effective **Tuesday, June 13th**, with **zero downtime**.

These modifications were made based on feedback from agents and brokers like you. Thanks to your feedback, you can enjoy these upgrades starting on 6/13:

- **Buyer Agency Compensation added to Customer-Facing reports**
 - The "Buyer Agency Compensation" field will now appear on several reports, displays, and collaboration systems that your clients see.
- **Studio "Zero" Bedrooms**
 - Selecting "studio" as a property type will only allow a bedroom count of "0" (zero).
- **Two Open Houses on the Agent Full Display**
 - Agent Full Display reports show the next two upcoming Open Houses instead of one.
- **Open Houses Added to Agent & Client-Facing short displays**
 - Short (not Full) displays for Agents and Customers/Clients now show open houses.

For more information on these new system changes, check out our [Knowledgebase article](#). We are excited to bring you these features, and look forward to seeing your real estate business benefit. Thank you for your continued support!

Thank you,

California Regional MLS
