

## What's new from this past June

### Our monthly catchup with our users

Summer has begun, and we at CRMLS hope you're enjoying the sun. Let's catch up on all that's been happening for June 2023.

#### **CRMLS System-Wide Improvements as of 6/13**

All CRMLS systems – Matrix, Paragon, and Flexmls – upgraded on June 13th with new features and improvements, such as new fields in customer and agent reports, based on feedback from users like you. See the full list of changes [here in our Knowledgebase](#).

#### **REdistribute approaches 50% nationwide coverage**

The data aggregation initiative REdistribute is at nearly 50% data coverage for all residential real estate properties in the U.S. [Read the recent release](#) to learn more about what this means for the industry and the future of data distribution.

#### **The Latest Guides**
