

Create a CMA on-the-go

With EasyCMA, you can do it in 30 seconds or less

Have you ever been with a potential client and realized you needed an accurate, convincing CMA right there, at that exact moment? With EasyCMA® in [Paragon Connect](#), you can get the CMAs you need right on your phone in under a minute.

EasyCMA delivers a quick but thorough analysis of what a property could be worth. Powered by the data of Paragon Connect, you can provide your client with in-depth property info with a CMA created on the spot – no matter where that "spot" is.

Log in to CRMLS Paragon Connect today to use the EasyCMA, Power Search, and more of the features that now fit in your pocket.

In other big news, as of September 28 Paragon users can now use [Local Logic](#), the new provider of hyper-local information data! Get vital community info like demographics, transit, education, and more. Local Logic is integrated right into Paragon, so no need for additional logins or making a new account.

To access Local Logic, simply head into the Paragon Collaboration center and click the "Community" tab.
