Cubicasa makes the often-cumbersome task of creating a floor plan quick and easy. Simply download the app, scan your property with your smart phone, and, within 24 hours², you'll have a floor plan with dimensions³ ready to add to your listing.

As CubiCasa is a core product, you'll have immediate access to it via your REcenterhub dashboard. On October 30, simply go to your complete list of user applications by clicking the **plus (+)** icon and locate the CubiCasa tile. Clicking it will take you to CubiCasa's site, where you'll be able to set up an account. Don't forget to click the star icon under the tile to add it to your favorite dashboard tiles:

Basic 2D floor plans are available at no-cost. CRMLS users get 25% off the purchase of additional features and design elements.

Make your listings stand out from the crowd and attract more buyers with floor plans from CubiCasa. CRMLS is excited to bring you more advancements to improve your business. Thank you for your support.

Thank you,
