

RentSpree is the tool you need to serve the rental market

Discover how this CRMLS core product can boost your business

Rentals are an important part of real estate, but there are very few tools built to serve this portion of the market. That's where [RentSpree](#) comes in – a CRMLS core product that can benefit all your rental clients throughout the leasing process.

RentSpree provides lessors and potential tenants with a screening package that is both comprehensive and simple to compile. This includes a rental application, credit report, and background check.

Learn more about mastering the essentials of RentSpree at a vendor-hosted webinar on **Thursday, November 9 at 11:00 AM**. RentSpree experts will be there to discuss new trends and conditions in the residential lease market, plus share tips on retaining clients for the long run.
