

RentSpree makes rentals easy – find out how at this 11/9 webinar

Don't miss this informative webinar on serving your rental market

Rentals are an important part of real estate, but not every agent knows how to serve this portion of the market. That's where [RentSpree](#) comes in – a CRMLS core product that can benefit all your rental clients throughout the leasing process.

RentSpree provides lessors and potential tenants with a screening package that is both comprehensive and simple to compile. This package includes a rental application, credit report, and background check.

Don't miss your chance to register for a vendor-hosted RentSpree webinar **tomorrow, November 9 at 11:00 AM**. RentSpree experts will be there to go over the essentials of this product solution, plus discuss today's trends and conditions in the residential lease market – make sure you register now to save your spot!
