

Provide your clients with everything they need for their next move

LiveEasy helps arrange utilities, household projects, and more

Your clients have a lot on their plate when it comes to their real estate experience, not just when it comes to finding a place but also when it comes time to actually move into it. Starting on **Tuesday, December 5**, help your clients destress with [LiveEasy](#), the concierge service that can help with moving, household management, and more. This is a CRMLS core product and will be available to all users at no additional cost. LiveEasy is our gift to you during this holiday season, and we are confident you'll see the value in it straight away.

LiveEasy offers an intuitive online platform that can help your clients not only organize everything they need for their move, but also help schedule services like movers, utility activation, and more, all at exclusive, pre-negotiated discounts. Once their move is complete, LiveEasy can keep helping with things security systems, home improvement projects, managing household equity, and other important aspects of making a new house a home.

You'll be able to find the LiveEasy icon in your REcenterhub dashboard starting December 5. Simply click on it to get started and see how much value LiveEasy can add to your services.

LiveEasy's launch is at the perfect time to offer a gesture for the holidays to all your clients searching for their new home. We look forward to bringing you this latest development in client/agent relations and thank you for your support.
