

A recap of the last month's worth of news

Catch up on everything you may have missed

October was a frighteningly busy month, so let's get you caught up on all that happened this past Halloween season:

Reciprocal Data Access with Bright MLS

CRMLS Matrix users can now enjoy guest access to listing data from Bright MLS, the east coast's largest MLS. Check out our [press release](#) for more info and this [infographic](#) on how to access this treasure trove of information.

Compliance Spooktacular

We know that CRMLS Compliance can seem like a big scary thing that goes bump in the night, but it's really not so scary once you get to understand it better. Check out [our latest spooky season blog](#) to read more.

The New Matrix Branding Center

CRMLS Matrix has a new way to display your brand in just a few clicks. Read [our guide](#) on how to coordinate your brand across platforms like MLS-Touch and OneHome, and check out our [short webinar](#) going into the Branding Center and more new features for MLS-Touch.

Know the Trigger Words for Open Text Fields

As part of the new policies resulting from the [NAR commissions settlement](#), there can be no insinuation of compensation in listing fields such as Public Remarks. We've put together a list of the most common keywords that will prompt a system warning that you can [read here](#).
