

## Rayse helps build trust and communication with clients while promoting your agents' value

See how it works in our upcoming webinar – register below

Most clients have no idea how much work goes into the average real estate transaction. While agents are putting in dozens if not hundreds of hours on their clients' behalf, most clients think an agent spends just about 10 hours on them – max. As we build a new way of doing business following commissions lawsuits, it's time to prioritize your agents' value and clearly communicate just how much work is going on behind the scenes. That's why you need [Rayse](#).

# Rayse.

With Rayse, brokers can provide their agents with a real-time communication tool that itemizes and indexes every move they make toward satisfying their clients. Whether it's tracking the number of open houses or providing closing reports, Rayse will help clarify each step of the real estate journey to ensure clients know how their agent is working to ensure their success.

CRMLS brokers can [sign up for Rayse](#) today and adjust their plan to their needs, and you can read more about CRMLS's involvement with Rayse in this [press release](#). Want to learn more about Rayse? Sign up for our introductory webinar to see how you can provide agents with this game-changing platform.
