

as

**Flexmls users can now offer rentals
to those affected by California wildfires**

Learn more about the specifics of this new type below

In response to the wildfires in southern California, your Flexmls system has been updated with a new property type when adding listings: Fire Relief Rental.

Manufactured In Park
Commercial Sale
Commercial Lease
Business Opportunity
Fire Relief Rental

If you have a client who can offer some degree of housing – rooms, parking for mobile homes, etc. – please use this category when making your listing. Fill out the rest of the listing as usual and put any further details about the property in the Open Remarks field.

Please note that any listings made under this property type will NOT be syndicated or distributed. Fire Relief Rentals will remain exclusively on the MLS and can only be found via MLS search.

We hope this new feature can help offer aid to those in need and please stay safe as the fire situation develops.
