Preview:Recipient:Name,

The final countdown to [Thrive Broker Summit](#) has begun! In less than one month, California's leading real estate experts will be arriving at the Paséa Hotel & Spa in Huntington Beach to discuss the future of our industry and what technologies will be shaping it. Two recently announced sessions will focus on tech solutions and predictions, full of forward-thinking insights that you won't want to miss.

Ahead of the Curve: Broker Insights from Perchwell Early Adopters

A deep discussion about Perchwell, the latest MLS system revolutionizing the user experience, from those already utilizing it.
