### **Our new core product digitizes the earnest money process**

**Earnnest launches today, June 23 – details below**

Preview:Recipient:Name,

Despite so much of real estate being conducted online, it's still all too common for initial escrow deposits to be made the old-fashioned, cumbersome way. Instead of relying upon checks or wire transfers, [Earnnest](#) is here to bring this process into the internet age with high-security digital transfers.

# EARNNEST

HOW MONEY MOVES

**Starting today, June 23, all agents can access the Earnnest platform at no additional cost.**

Earnnest is a fully realized online payment platform that helps clients send

earnest money payments easily while you, their agent, can ensure they're free from potential fraud. With transparent tracking every step of the way, agents can request payments via web or mobile, ensuring a fast and safe way to ensure money goes where it needs to go. Earnnest is a way to bring valuable convenience backed by bank-level security – out of more than 600,000 transactions, with \$3,000,000,000 moved digitally through its platform, there have been zero cases of fraud and zero chargebacks to escrow holders.

## How to access Earnnest:

### Step 1

To access Earnest, log in to your REcore dashboard and select the **"Manage App"** button on the right.

### Step 2

Navigate to the **"Core Products"** section, then select the **"Earnnest"** tile.

### Step 3

From there, you'll be directed to the **Earnnest** registration page.

Get the close faster and bring payment security to the 21st century with Earnnest, the exclusive digital earnest money partner of CRMLS. We hope you find this new payment platform valuable to you and your clients.
