Critical MLS News

**Following clarification from CoStar,
CRMLS users can resume utilizing CoStar media,
including Matterport tours or floor plans, in their listings**

Further clarification below

Preview:Recipient:Name,

Following yesterday's message regarding Matterport virtual tours and floor plans, CoStar confirmed that neither CoStar's terms nor Matterport's terms require CRMLS users to remove their CoStar media including Matterport videos and floor plans from their CRMLS listings, and that CRMLS members may continue to input such media into CRMLS.

We apologize for any frustration or confusion this may have caused.
