### A recap of what we've been up to at CRMLS

Introducing new core products, CDAM updates, and more

Preview:Recipient:Name,

We hope you had a festive and cozy Thanksgiving. Here's a roundup of highlights we've harvested at CRMLS:

#### **SkySlope Breeze: Manage Seller Disclosures Right from Your Phone**

[SkySlope Breeze](#) is now available as a no-cost core product that provides a mobile solution for completing disclosure forms on the go. Check out our [press release](#) and watch this [video](#) to learn more about SkySlope Breeze and its companion product, [SkySlope Forms](#).

#### **Understanding CRMLS Rule 8.3: The Information Accuracy Requirement**

Rule 8.3 requires agents to consistently update their listings with complete and accurate property information. Watch this short [video](#) for helpful tips on managing your listing details, ensuring compliance, and protecting yourself from costly Auto Sold violations.

#### **Updates to CDAM Records: 90 Days to 30 Days**

CRMLS has reduced the Cumulative Days Active in MLS (CDAM) window for listings from 90 days to 30 days. This change reflects our ability to analyze markets in less time. No action is required of you, but a full explanation of how to calculate CDAM can be found [here](#).

#### **Webinars to Join This Week**
